

Resultado Censo 2020

Ken ta nos muchanan?

22.830

**mucha 0-17 año
a wordo conta**

51% ta mucha homber

**-11% compara cu
Censo2010**

The background of the slide is a dense collection of small, colorful wooden human figures in various colors including orange, light blue, dark blue, red, and natural wood. They are scattered across the entire frame. At the top, there are two horizontal lines: a blue one and an orange one. An orange rectangular box is positioned in the middle-left area, containing white text. Below this box, on a dark red background, is a white downward-pointing arrow.

21% di e poblacion di
Aruba ta 0-17 aña
